## PART 1: What do you think?

**Directions:** Read the statements below and put an "X" in the box that best fits your opinion.

Everyone has different opinions, so be honest about what you think. There are no right or wrong answers!

1. I think it is important to have trees around us.					
2. We already have enough trees in New York City as it is.					
3. Planting a tree sounds like fun to me.					
4. Having trees in our neighborhoods can help us stay healthy.					
5. There is nothing I can really do to help trees in New York City.					
6. The areas where I live and go to school are part of a forest.					

## PART 2: Have you...?

**Directions:** Read the questions below and put an "X" in the box that best fits your answer.

You should answer the question based on your own experience. There are no right or wrong answers!

	Yes	No	Not sure
7. Have you spent time playing around trees?			
8. Have you ever stopped to notice the trees around your school?			
9. Have you ever planted a tree?			
10. Have you ever taken care of a tree or other kind of plant?			
11. Have you ever taught someone else about something they can do to help the environment?			
12. Have you ever thought about the ways that trees help people in New York City?
