Food Web Scavenger Hunt

A food web is made of several interconnected food chains. In the boxes, write or draw what you find in the garden. Then, starting with the sun, match what you found to its food source by drawing connecting lines.

List four chains you found within the food web.

- Sun → Acorn → Squirrel → Hawk
- _____
- _____
- _____
- _____

Place the plants and animals into their trophic level with a label or drawing.
